Steve Mark

The world of sports and telling folks about it is what Steve Mark loves to do. One of the highlights of his job is "being an electronic storyteller!"

steve mark

Steve's been involved with sports since he was a child. Originally from Chicago, he moved with his family to Texas in the mid-'70s. He attended the University of Texas at Austin, majoring in broadcast journalism.

After college, Steve landed a job with KLBJ-Radio as a sports reporter. A year later, in June 1980, he began his first on-air position as a sports anchor/reporter by joining KTVV-TV, also in Austin.

The Texas-Ex then took a job deep in rival territory. He joined KOTV-TV in Tulsa, Okla., and became the only "Longhorn" at the station. In December 1984, Steve came back to Texas, landing a job at KHOU-TV. Four years later, he went across town to KRIV-TV. He finally joined the KPRC-TV family in May 1997.

He's won several awards in his sports career. In 1998, the Dallas Press Club named him Best Sportscaster and the Associated Press honored him with Best Sportscast. He's also proudest of the Associated Press Award he earned for his 1996 Olympic coverage.

In his spare time, Steve enjoys spending time with his wife, three kids and a golden retriever named Wrigley Banks Mark. He also enjoys watching a good movie. "All the President's Men," "Stripes" and "You've Got Mail" are some of his favorites.

You can see Steve Mark on News2Houston Friday and Saturday evenings and during "On the Mark" during Sports Sunday at 10:20 p.m.
